

Step by Step Guide to Registering for EMAIL Voyent Alert!

1. Go to <https://ca.voyent-alert.com/vras/client.html#/registration>. Enter the address or postal code of the location for which you'd like to receive alerts. You will need to have access to the email address you register during this process to successfully complete the registration.

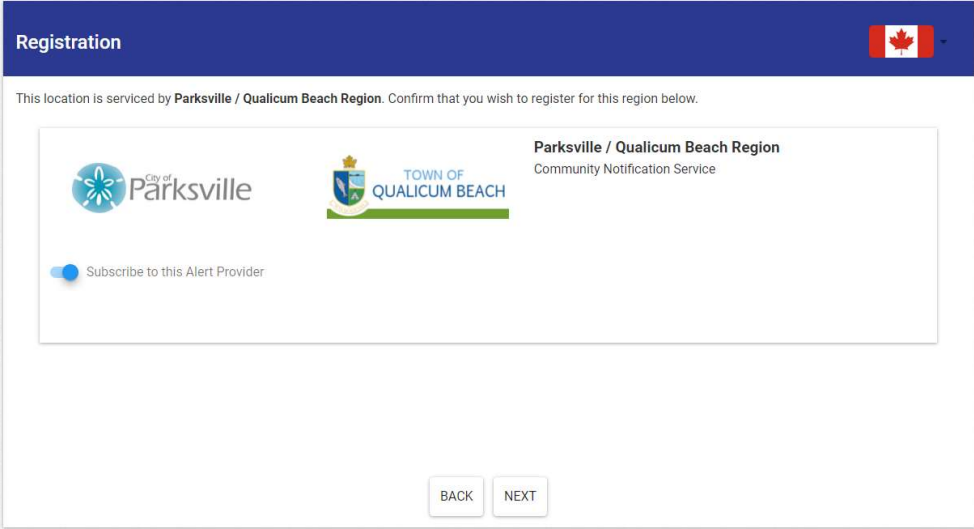

The screenshot shows the 'Registration' page of the Voyent Alert website. At the top, there is a blue header with the word 'Registration' and a Canadian flag. Below the header is the Voyent Alert logo, which consists of a stylized 'V' made of two interlocking loops, one blue and one orange, followed by the text 'VOYENT ALERT!'. Below the logo, it says 'Welcome to Voyent Alert!'. Underneath, there is a prompt: 'Enter an address, place name, or postal code for the location you'd like to receive alerts from.' followed by a text input field with the placeholder text 'Address, place name, or postal code'. Below the input field, there is a horizontal line, then the word 'OR', and then a button with a location pin icon and the text 'USE MY LOCATION'. To the right of this button, there is a link that says 'ALREADY REGISTERED?'. At the bottom center, there is a 'NEXT' button.

2. A map will show up of the address you entered on the previous page. If it isn't the right location, click "BACK" at the bottom of the page. If the map is correct, type a name to give the location a label. This could be "Home" "Work" etc. As you can register for multiple alert locations, providing a label to this registration will help you keep track of your alerts.

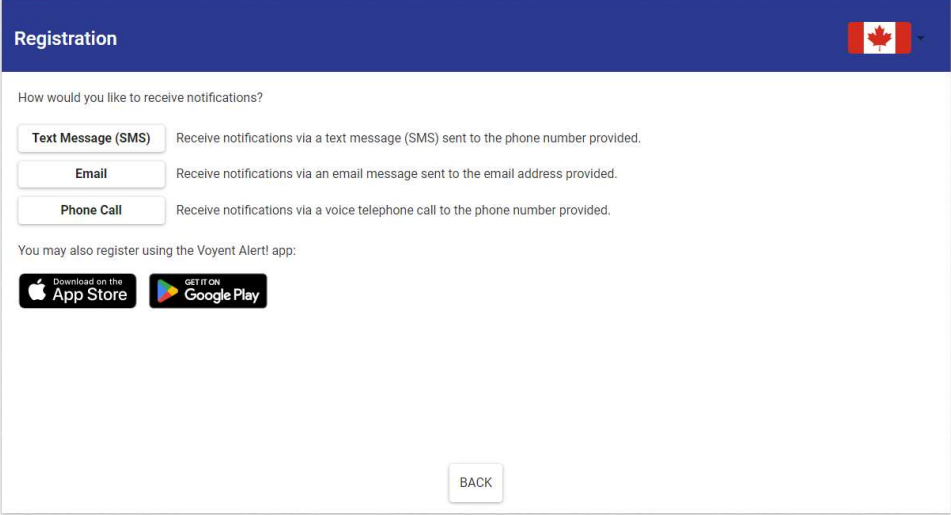

The screenshot shows the map registration page. At the top, there is a blue header with the word 'Registration' and a Canadian flag. Below the header, there is a prompt: 'For improved notification accuracy ENTER A STREET ADDRESS, or drag the pin.' Below this prompt is a map of a coastal area. A location pin is placed on the map, and a pop-up window is open over it. The pop-up window has a title bar with a close button (X). Inside the window, there is a text input field labeled 'Location Name' with the text 'Office' entered. Below this, there is a text input field with the address 'Parkville, BC V9P 2H3' and a small edit icon. Below the address field, there is a toggle switch labeled 'Private Residence' which is currently turned off. At the bottom of the map, there are two buttons: 'BACK' and 'NEXT'.

3. Confirm that you would like to receive alerts from the local government that appears on this page. The toggle switch needs to be set as seen in the picture below to receive alerts. You can register to receive alerts from more than one local government.

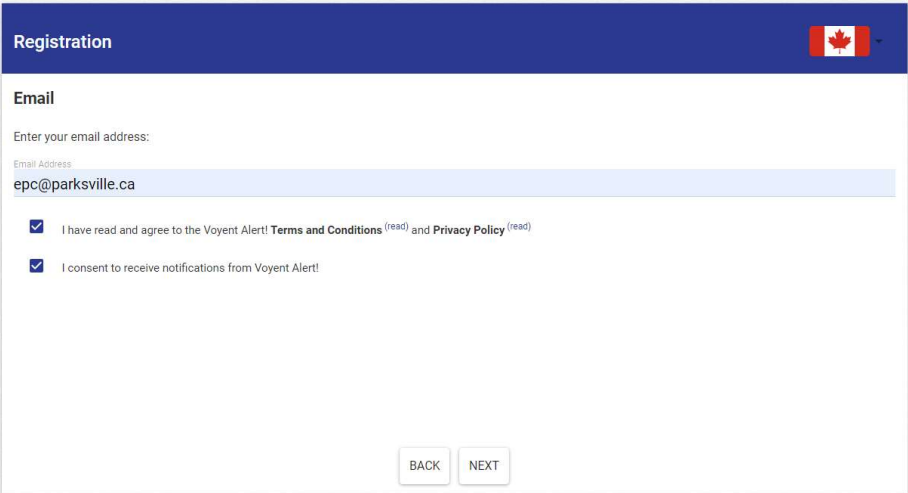

The screenshot shows a web page titled "Registration" with a Canadian flag icon in the top right corner. Below the header, a message states: "This location is serviced by **Parksville / Qualicum Beach Region**. Confirm that you wish to register for this region below." The main content area features two logos: the "City of Parksville" logo on the left and the "TOWN OF QUALICUM BEACH" logo on the right. To the right of these logos, the text reads "Parksville / Qualicum Beach Region" and "Community Notification Service". Below the logos, there is a toggle switch labeled "Subscribe to this Alert Provider", which is currently turned on. At the bottom of the page, there are two buttons: "BACK" and "NEXT".

4. Click on "EMAIL" as your chosen method to be alerted. You will be prompted to provide your contact information in the next step.

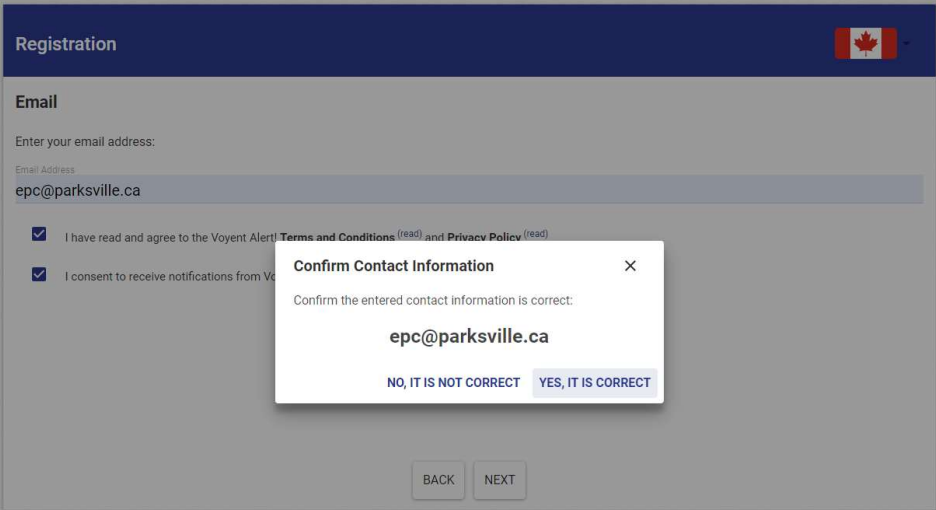

The screenshot shows a web page titled "Registration" with a Canadian flag icon in the top right corner. Below the header, the question "How would you like to receive notifications?" is displayed. There are three radio button options: "Text Message (SMS)" with the description "Receive notifications via a text message (SMS) sent to the phone number provided.", "Email" with the description "Receive notifications via an email message sent to the email address provided.", and "Phone Call" with the description "Receive notifications via a voice telephone call to the phone number provided." Below these options, a message states: "You may also register using the Voyent Alert! app:". Underneath this message are two buttons: "Download on the App Store" and "GET IT ON Google Play". At the bottom of the page, there is a "BACK" button.

5. Enter your email address. Click on the boxes to confirm you have read the terms and conditions and that you consent to receive notifications. Then click on “NEXT”.

The image shows a web registration form titled "Registration" with a Canadian flag icon. The form is divided into an "Email" section. It prompts the user to "Enter your email address:" and shows the entered email "epc@parksville.ca" in a light blue box. Below this, there are two checkboxes, both of which are checked. The first checkbox is labeled "I have read and agree to the Voyent Alert! Terms and Conditions (read) and Privacy Policy (read)". The second checkbox is labeled "I consent to receive notifications from Voyent Alert!". At the bottom of the form, there are two buttons: "BACK" and "NEXT".

6. Confirm your email address is correct.

The image shows the same registration form as before, but with a modal dialog box overlaid in the center. The modal is titled "Confirm Contact Information" and has a close button (X) in the top right corner. It asks the user to "Confirm the entered contact information is correct:" and displays the email "epc@parksville.ca" in bold. At the bottom of the modal, there are two buttons: "NO, IT IS NOT CORRECT" and "YES, IT IS CORRECT". The "YES, IT IS CORRECT" button is highlighted with a blue border. The background of the registration form is dimmed.

7. You will be sent an email with a 4-digit verification code. Enter it on this screen. If you can't find the email check in your junk folder.

Registration

Congratulations! You are one step away from completing your Voyent Alert! registration.

We have sent a 4-digit verification code to the **epc@parksville.ca** email address that you provided. It may take a minute or two to arrive.

To complete your registration, you MUST enter this 4-digit verification code below:
